The cover

The plans We have available

We know that all travellers do not have the same needs, which is why We have two travel insurance options.

Single Trip Plan

The Single Trip Plan is available to residents of New Zealand for Journeys outside of New Zealand of up to 12 months.

Annual Multi-Trip Plan

The Annual Multi-Trip Plan is available to residents of New Zealand who are 69 years of age or less at the issue date shown on the Certificate of Insurance. A great option to consider if You are planning on getting away more than once over the next 12 months. The Annual Multi-Trip Plan provides annual cover for an unlimited number of trips to any international destination outside of New Zealand within a year, providing each trip does not exceed 60 days.

On both plans, domestic air travel within New Zealand will only be covered where it is booked as part of Your international Journey and is within 24 hours of Your departure from, or arrival in, New Zealand. There is no cover for Journeys undertaken solely in New Zealand.

Areas of travel

Where You travel will influence Your premium. You will need to choose the main destination based on where You will spend the most time on Your Journey.

For an Annual Multi-Trip Plan You will need to choose the area which will cover all of Your trips for the year.

Note: If 20% or more of any Journey will be spent in the Americas or Antarctica, You must nominate this area including these countries as the main destination.

Domestic air travel within New Zealand will only be covered where it is booked as part of Your international Journey and is within 24 hours of Your departure from, or arrival, in New Zealand. There is no cover for Journeys undertaken solely in New Zealand.

Policy inclusions and add-ons

Your excess

The excess is the first amount of a claim which We will not pay for. The excess, which is indicated on Your Certificate of Insurance, applies to any claim arising from a separate event under any section of the policy. Our Single Trip Plan provides You with a choice of excess options. The higher the excess You choose, the lower the premium.

The excess for the Annual Multi-Trip Plan is \$100.

Luggage

Your belongings

When You're at Home, You look after Your belongings. When You travel it should be no different. Unfortunately, many claims We see for loss or theft are caused by people being careless with their belongings. If You do not take good care of Your belongings We may not be able pay Your claim. Not all belongings are covered by the policy.

What does this mean?

- Keep Valuables with You (where security regulations allow You to do so) rather than checking them in with the Transport Provider.
- Do not leave Valuables in a motor vehicle at any time.
“Valuables” means articles made of or containing gold, silver or precious metals; binoculars; jewellery; mobile phones; photographic, audio, video, tablet computer, computer and electrical equipment of any kind (including computer games, portable navigation equipment or media); precious stones; smart phones; telescopes and watches.
- A maximum limit of \$2,000 applies to any other items left during the day in the boot of a locked motor vehicle. Also, don't leave items in a motor vehicle overnight as they are not covered.
- Report any loss or theft to the police within 24 hours as an original police report is required for any claim involving loss or theft.
- Additionally, We require the relevant report from the related party. For example, an Airline Property Irregularity Report (P.I.R.) is also required if Your items were lost or stolen when travelling with an airline.

Luggage item limits

The following limits apply to any one item, set or pair of items (including attached and unattached accessories):

Luggage item limits	
Laptop or tablet computers	\$2,500
Mobile phones or smart phones	\$2,500
Cameras or video cameras	\$2,500
Dentures or dental prosthesis	\$1,500
Other items	\$1,500

You can increase these limits individually

For items which are valued at more than the limits shown above, You may increase the item limit by paying an additional premium.

Note: Bicycles may not be specified.

Please ask for a quote. You must be able to provide receipts or valuations (less than 12 months old) when claiming for these items.

Items 12 months old or less

If Your luggage or personal effects are lost, stolen or damaged during Your Journey, We will repair or replace the items, issue a store credit or pay You the original purchase price of the item for items You have purchased new within the last 12 months provided You have an original purchase receipt for each item. Otherwise depreciation will apply. Item limits also apply.

Increase Rental Car insurance excess cover

You can increase the level of Rental Car insurance excess cover available on Your plan by paying an additional premium. Please ask for a quote.

Activities included in Your cover

We know that not all travellers enjoy the same activities whilst travelling so We have a comprehensive list of activities which are covered while You are on Your Journey. Our Plans automatically cover:

- Abseiling
- Archery
- Ballooning
- Bungy Jumping
- Flying Fox
- Horse Riding
- Jet Boating
- Jet Skiing
- Kayaking
- Parasailing
- Paragliding
- Skydiving
- Snorkelling
- Surfing
- White Water Rafting
- Working Holidays

Your participation in any of the activities listed is subject to the terms of cover and in particular General exclusion 27 on page 66 and Section 19 Personal liability exclusions 3 and 4 on page 60.

Motorcycle/moped riding

If You wish to be covered for this activity during Your Journey and be able to hire a motorcycle (including a moped) as the driver or a pillion passenger, You will only be covered if:

- whilst in control of a motorcycle or moped You hold a valid New Zealand motorcycle licence or New Zealand motor vehicle driver licence, and You hold a licence valid in the relevant country;
- whilst You are a pillion passenger the driver holds a licence valid in the relevant country;
- the engine capacity is 200cc or less;
- You are wearing a helmet;
- You are not participating in a Professional capacity; and
- You are not racing.

Note: No cover will apply under Section 7 Rental Car insurance excess or Section 19 Personal liability. This means You are responsible to pay costs associated with damage to the motorcycle, moped or property or injury to another person.

Snow skiing, snowboarding and snowmobiling

Claims involving participation by You (during the Journey) in snow skiing, snowboarding or snowmobiling are specifically excluded from this policy.

If You wish to be covered for these activities during Your Journey, You must pay an extra premium. Please ask for a quote.

Even if You pay the extra premium, You will only be covered if:

- You are skiing or snowboarding On-Piste;
- You are not racing; and
- You are not participating in a Professional capacity.

If You pay to add on cover for snow skiing, snowboarding and snowmobiling, the benefits under Section 20 also apply.

No additional charge for Accompanied Children

Your own children, grandchildren and one other non-related child who are under 21 years of age, financially dependent on You and not in full-time employment, are automatically covered when travelling with You. If the Accompanied Children are not travelling with an insured adult under Our policy, an individual premium will have to be paid.

Extending Your Journey

Annual Multi-Trip Plan: The maximum duration per Journey is 60 days and cannot be extended. If Your Journey is longer than 60 days please ask the providing agent for a quote for an alternative policy.

Single Trip Plan: Having too much fun? If You're having too much fun on Your Journey and wish to be insured for longer than the original period You will need to purchase a new policy prior to the expiry date shown on Your original Certificate of Insurance. It is not an extension of the previous policy.

It is important to note that should a medical condition present itself prior to the time of issue of the new policy, it may be considered an Existing Medical Condition under the new policy and therefore may not be covered by the new policy. Purchasing a longer duration policy up front may avoid this risk.

Note: Restrictions on durations may apply.

Money back guarantee

If You cancel this policy for any reason within the cooling off period which is within 15 working days (excluding public holidays) of the date of purchase, We will give You Your money back.

Our money back guarantee ensures a refund of the entire premium unless You have already:

- made a claim under the policy; or
- departed on Your Journey.

If You wish to cancel Your policy and receive a full refund, please contact the issuing agent within the cooling off period. If You wish to cancel or amend Your policy please contact the issuing agent.

Travel and health

Do You have an Existing Medical Condition?

Claims directly or indirectly arising from or exacerbated by an Existing Medical Condition or related new infections are specifically excluded from this policy unless Your Existing Medical Condition is approved by Us.

What does this mean?

If You have an Existing Medical Condition and for example take medication to keep that condition in check, it doesn't mean You can't purchase travel insurance.

It does however, mean that You should tell Us about all Your Existing Medical Conditions including anything for which medication is prescribed so We can complete an online health assessment and, if We approve, offer You cover.

If You choose to declare some conditions and not others or choose not to declare any conditions, You run the risk of a claim being denied. See Existing Medical Conditions for more information.

Assessing Your health

So We can assess the risk, We may also require You to answer some questions about Your general health as well as completing an online health assessment at the time of applying for this travel insurance.

Existing Medical Conditions

(Of You or Your travelling companion)

Cover for claims directly or indirectly arising from or exacerbated by an Existing Medical Condition or related new infections are specifically excluded from this policy. However, We may separately provide cover for an Existing Medical Condition. If additional cover is applied for and approved, an additional premium may apply.

What is an Existing Medical Condition?

“Existing Medical Condition” means a disease, illness, medical or dental condition or physical defect that at the Relevant Time meets any one of the following:

Existing Medical Conditions We need to assess

If Your condition:

- does not meet the criteria above;
- You have one or more conditions which are not listed in the table of conditions we automatically include; or
- a combination of both the above points

You will need to complete an online health assessment by declaring all Your Existing Medical Conditions to Us.

To be clear, the conditions We automatically include only apply if You do not have other Existing Medical Conditions beyond those on this list.

Completing a health assessment

You can complete an online health assessment as part of Your travel insurance quote on www.airnewzealand.co.nz/travel-insurance, by contacting Air New Zealand on 0800 737 000 or by calling Cover-More on 0800 500 248 for additional assistance. If cover is accepted by Us, an additional premium will apply.

- You'll need to have sufficient knowledge about each Existing Medical Condition to be able to complete a full declaration so We can assess the risk.

For example, We need to know the name of the medical condition You take medication for, rather than the name of the medication. Check with Your doctor first if unsure.

- Check all Existing Medical Conditions have been disclosed to Us.
- We will provide Your assessment outcome and a number.
- If We can approve Your health assessment, You must pay an extra premium.
- An approval number for this cover will then be listed on the Certificate of Insurance We give You. Special conditions, limits and excesses may apply depending on Your Existing Medical Condition, age, trip destination and duration. This will be stated on Your Certificate of Insurance or separately advised to You in writing.

Conditions to pay particular attention to

Chronic lung conditions

If You have a chronic lung condition*, unless You complete a health assessment for that condition at the Relevant Time which is then approved by Us and You pay the required extra premium, You won't be covered for claims directly or indirectly arising from or exacerbated by:

- that condition;
- a respiratory infection e.g. Influenza; or
- a lung infection e.g. Pneumonia.

*Chronic lung condition includes Chronic Asthma, Chronic Bronchitis, Chronic Obstructive Pulmonary Disease (COPD), Emphysema or Pulmonary Fibrosis.

What does this mean?

For example, if You have COPD and are diagnosed with a respiratory infection, Your claim will not be covered because We consider the respiratory infection to complicate and be a complication of the underlying Existing Medical Condition, COPD.

Cardiovascular Disease

If You have a condition involving Your heart and blood vessels, collectively known as Cardiovascular Disease*, unless You complete a health assessment for that condition at the Relevant Time which is then approved by Us and You pay the required extra premium, You won't be covered for claims directly or indirectly arising from or exacerbated by:

- that condition; or
- another heart/cardiovascular system problem including a Heart Attack or Stroke.

*Cardiovascular Disease includes Aneurysms, Angina, Cardiac Arrhythmias (disturbances in heart rhythm) Cardiomyopathy, Cerebrovascular Accident (CVA or Stroke), previous heart surgery (including valve replacements, bypass surgery or stents), Myocardial Infarction (Heart Attack) or Transient Ischaemic Attack (TIA).

What does this mean?

For example, if You have ever been diagnosed with Coronary Artery Disease, also known as Ischaemic Heart Disease (IHD), it is considered a life-long condition. The risk of disease is elevated whether or not You have been treated with bypass surgery or coronary artery stent insertion. If You haven't told Us about Your condition, We haven't approved it and You haven't paid the additional premium, We won't be able to consider Your claim if something goes wrong before or during Your Journey with respect to these conditions.

Reduced immunity

If You have reduced immunity at the Relevant Time (e.g. as the result of a medical condition or medical treatment), unless You complete a health assessment which is then approved by Us and You pay the required extra premium, We won't be able to approve claims directly or indirectly arising from or exacerbated by the underlying medical condition or a new infection.

What does this mean?

For example, if You currently suffer from a condition that is associated with significant immunosuppression or You require medication that significantly impairs immune function (e.g. Methotrexate, Azothiaprine or high dose steroids), You should tell Us about Your condition, otherwise We won't be able to cover Your claim if You develop an opportunistic infection with respect to these conditions.

Other Existing Medical Conditions which cannot be covered

Under no circumstances is cover available on this policy for claims directly or indirectly arising from or exacerbated by:

- Your Terminal Illness;
- conditions involving drug or alcohol dependency;
- travel booked or undertaken against the advice of any medical practitioner;
- routine or cosmetic medical or dental treatment, even if Your Existing Medical Condition has been approved; or
- conditions for which You are travelling to seek advice, treatment or review or to participate in a clinical trial.

Travel and the health of other people in New Zealand or Australia (non-traveller)

When booking a trip and buying travel insurance please carefully consider the health of loved ones not travelling with You.

We can only consider claims by You arising from the health or death of a Relative or Your business partner who live in New Zealand or Australia and are not travelling with You if at the Relevant Time that person:

- had not been hospitalised in the previous 2 years for a condition that was directly or indirectly arising from or related to the condition that caused the claim;
- did not reside in a nursing home or require similar home care assistance;
- was not on a waiting list for, or did not know they needed surgery, inpatient treatment or tests at a hospital or clinic;
- did not have a drug or alcohol addiction; and
- did not have a Terminal Illness.

Claims caused by the health of other people (those people not listed above) are not covered by the policy.

Pregnancy

Are You pregnant?

If You know You are pregnant at the Relevant Time, You will need to apply for cover if:

- there have been complications with this pregnancy or a previous pregnancy;
- You have a multiple pregnancy e.g. twins or triplets; or
- the conception was medically assisted e.g. using assisted fertility treatment including hormone therapies or IVF.

“Relevant Time” in respects of:

- a) Single Trip policies means the time of issue of the policy.
- b) Annual Multi-Trip policies means the first time at which any part of the relevant trip is paid for or the time when the policy is issued, whichever occurs last.

You can complete a medical assessment as part of Your travel insurance quote on airnewzealand.co.nz, by contacting Air New Zealand on 0800 737 000 or by calling Cover-More on 0800 500 248 for additional assistance. If cover is accepted by Us, an additional premium will apply.

Pregnancy restrictions

Whether or not You have to apply for pregnancy cover, the following restrictions apply to claims arising in any way from the pregnancy of any person.

- Cover is only provided for serious, unexpected pregnancy complications that occur up until the 24th week of pregnancy i.e. up to 23 weeks, 6 days. Gestational age is measured in weeks and days and is calculated from the last known date of Your menstrual period or calculated from staging ultrasound.
- Childbirth is not covered.
- Costs relating to the health or care of a newborn child are not covered, irrespective of the stage of pregnancy when the child is born.

What does this mean?

Expectant mothers should consider if Our products are right for them when travelling after 23 weeks and 6 days gestation as costs for childbirth and neonatal care overseas can be expensive.

24 hour emergency assistance

We hope You have the trip of a lifetime but should something go wrong, We're here to help.

Imagine being overseas and being denied medical treatment because You can't pay the bills, or receiving inadequate treatment. These kind of incidents happen all too often to travellers which is why emergency assistance is so important.

All policyholders have access to Our emergency assistance team when travelling.

24 hours a day, 365 days a year, Our team of doctors, nurses, case managers and travel agents provide the following services:

- **Help to find a medical facility and monitor Your medical care**

- **Paying bills**

Becoming ill overseas can be very expensive so those significant medical expenses can be paid by Us directly to the hospital if Your claim is approved.

- **Keeping You travelling or getting You Home**

Our team can decide if and when it is appropriate to move You or bring You Home and will coordinate the entire exercise.

- **Help if passports, travel documents or credit cards are lost**

If You need assistance in contacting the issuer of the document, Our emergency assistance team can help.

- **Help to change travel plans**

If Your travel consultant is not available to assist with rescheduling in an emergency, Our team can help.

Certain services are subject to Your claim being approved.

You must phone Our emergency assistance team as soon as possible if You are admitted to hospital or if You anticipate Your medical or related expenses will exceed \$500.

As at the date of issue of this document, ZAIL has an insurer financial strength rating of A+ from Standard & Poor’s (Australia) Pty Ltd. This rating shows that the company has strong financial security characteristics. This is reviewed annually and may change from time to time, so please refer to www.zurich.co.nz/content/zurich_nz/about_us/financial-strength to ensure it has not changed.

Standard & Poor’s rating scale for an insurer’s financial strength, together with a summary of Standard & Poor’s description is: AAA (Extremely Strong), AA (Very Strong), A (Strong), BBB (Good), BB (Marginal), B (Weak), CCC (Very Weak), CC (Extremely Weak), R (Regulatory Supervision), NR (Not Rated).
