There's nothing like travel to feed the soul and broaden the mind. And nothing like the unexpected to put a dampener on your plans, such as:

- Unexpected medical emergencies
- Natural disasters (earthquakes, volcanic eruptions, cyclones)
- Lost/ stolen luggage, passports, air-tickets, smartphones and money

- Ski and snowboard injuries are common
- Cycling, kayaking, river rafting, horse riding and sky diving accidents may cost in excess of \$100,000 or more.

**Protect yourself** in the event of a medical emergency, cancellation of your prepaid travel arrangements, missed flight connections, travel delay and lost luggage.
